This statement applies to the Dream for Trees website (dreamfortrees.com). It was prepared in July 2026.

Our commitment

Dream for Trees is committed to making its website accessible to everyone, including people with disabilities. We want as many people as possible to be able to use this website.

How accessible this website is

We know some parts of this website may not yet be fully accessible. We are working with our web developer to improve accessibility as the new site is built. We aim to meet the Web Content Accessibility Guidelines (WCAG) 2.1 at level AA.

What we are doing

As part of our current website redevelopment, we are ensuring that: text can be resized without loss of content; colour contrast meets WCAG AA standards; all images have descriptive alternative text; links are clearly labelled; and the site can be navigated by keyboard.

Known limitations

Some older documents linked from our site (such as PDFs) may not be fully accessible. We are reviewing and updating these. If you need any document in an alternative format, please contact us and we will do our best to help.

Reporting problems

If you experience any accessibility problems with our website, please contact us at connect@dreamfortrees.com. We aim to respond within five working days.

Enforcement

If you are not satisfied with our response, you can contact the Equality Advisory and Support Service (EASS) at equalityadvisoryservice.com.

Technical information

Dream for Trees is committed to making its website accessible in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018. This website is partially compliant with WCAG 2.1 level AA due to the limitations noted above.

Review

This statement is reviewed annually and updated when the website is significantly changed.
